AN ENVIABLE LOCATION

Close to the heart of everything

AYKON City boasts one of the most iconic settings in Dubai on the illustrious Sheikh Zayed Road, the city's most important vehicular artery connecting Dubai to Abu Dhabi. The development overlooks the new Dubai Canal network and forms the gateway to the glamorous Burj area.

From here, the city's attractions are all just moments away and it's very easy to get around, whether it's by car, metro or water taxi.

THE FIRST FREEHOLD RESIDENCES ON SHEIKH ZAYED ROAD AND DUBAI CANAL

Freehold property in Dubai is some of the most sought after by property investors from all over the world, as government legislation makes it easy and secure for foreign owners.

The location of AYKON City makes it one of the most desirable locations in the emirate in this first-of-its-kind development.

THE AYKON CLUB

Exclusively for members

Private members clubs represent a centuries-old tradition, associated in London with the British upper classes from as far back as 1693. Despite their longevity, the principles have always run along similar lines - they provide an exclusive environment in which like-minded individuals can network and socialise.

The AYKON Club is an exclusive residents-only club that harks back to the old-world charm of the traditional members club with the addition of a modern twist to keep it refreshingly relevant. Set just below the 295-metre summit of its tower, the club will offer spectacular views of the surrounding neighbourhood, and a great place in which to feel at home.

AN AYKONIC ATMOSPHERE

Relax, dine & socialise

AYKON City presents its own selection of lounge and dining experiences. From the casual cafés and open plan areas on the podium level to the height of elegance under the eaves of the 295-metre AYKON hotel tower, relaxing and dining has never been so refined.

AYKON PLAZA

Community spirit

Central to the unique 'city' is the AYKON Plaza, an elevated platform that links the development and provides the community with its own beautiful areas in which to unwind and relax. There's something for every age and mood, from inviting swimming pools and specialist exercise areas to street café culture and luxurious boutiques – with lots more in between.

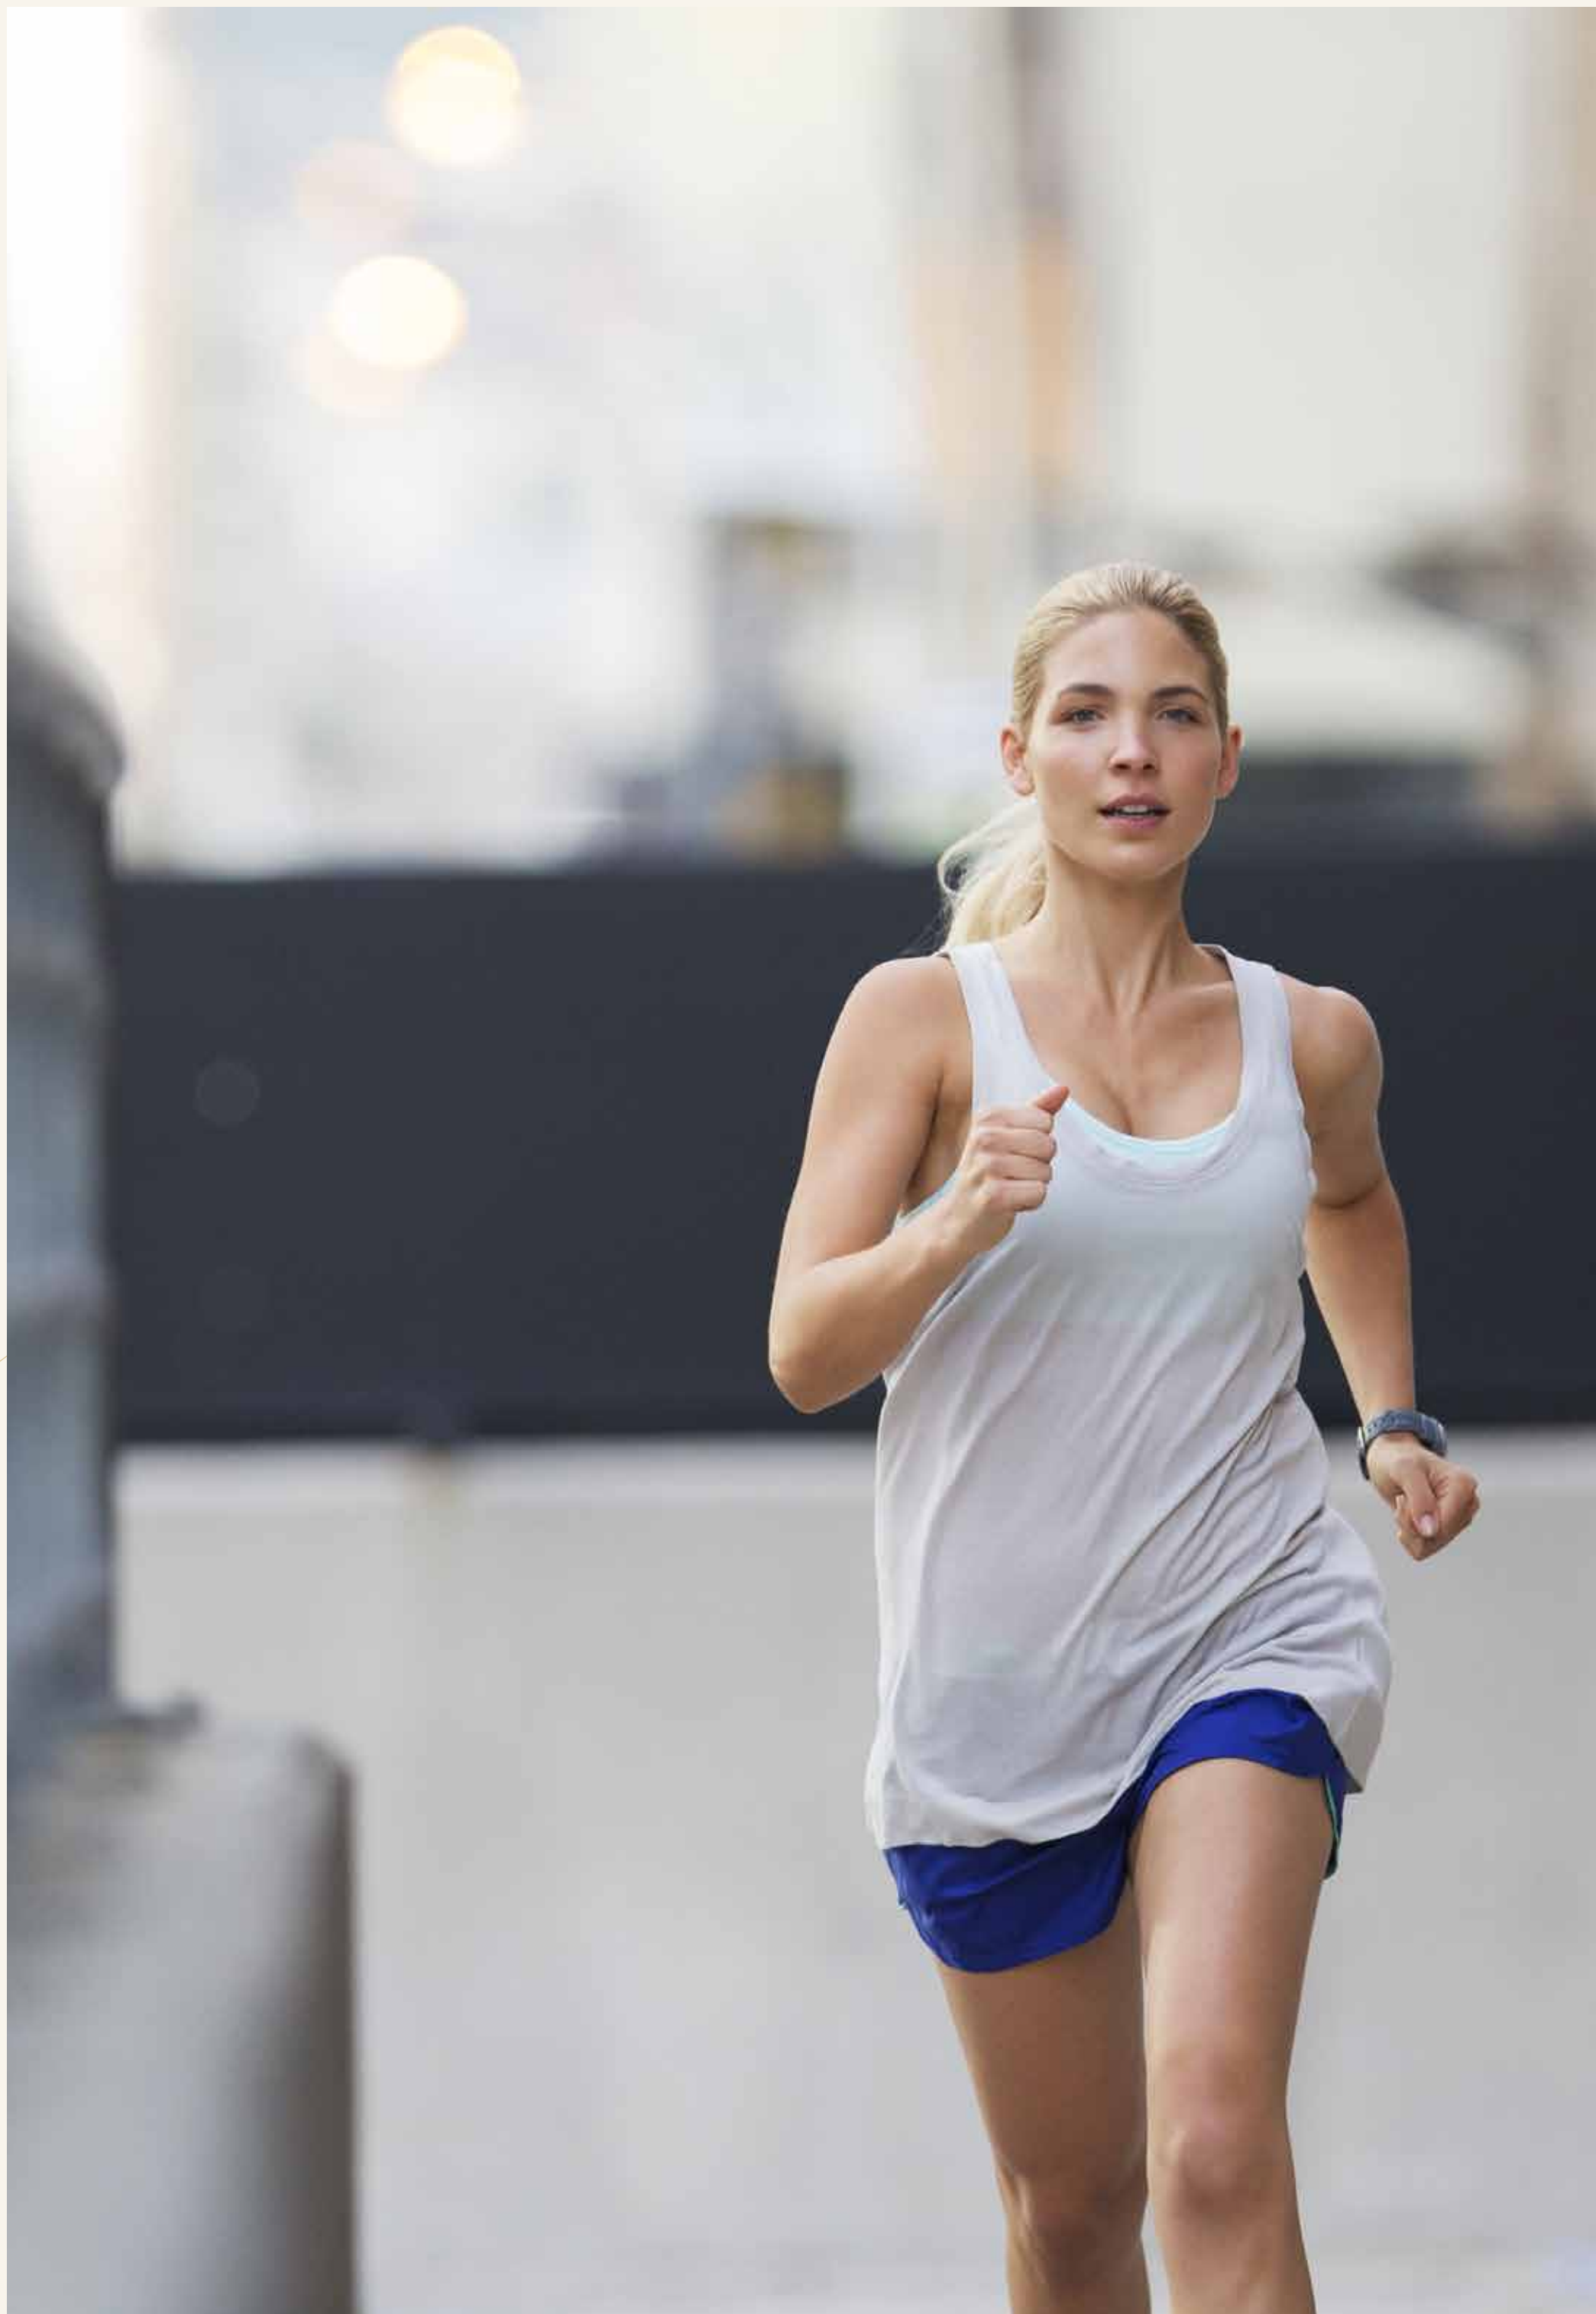

AN AYKONIC HAVEN

Rest and rejuvenation at AYKON Plaza

AYKON Plaza offers a beach club environment atop its central podium, with a choice of expansive swimming pools and lush green spaces, ideal places in which to relax on a lounge and enjoy some restful moments.

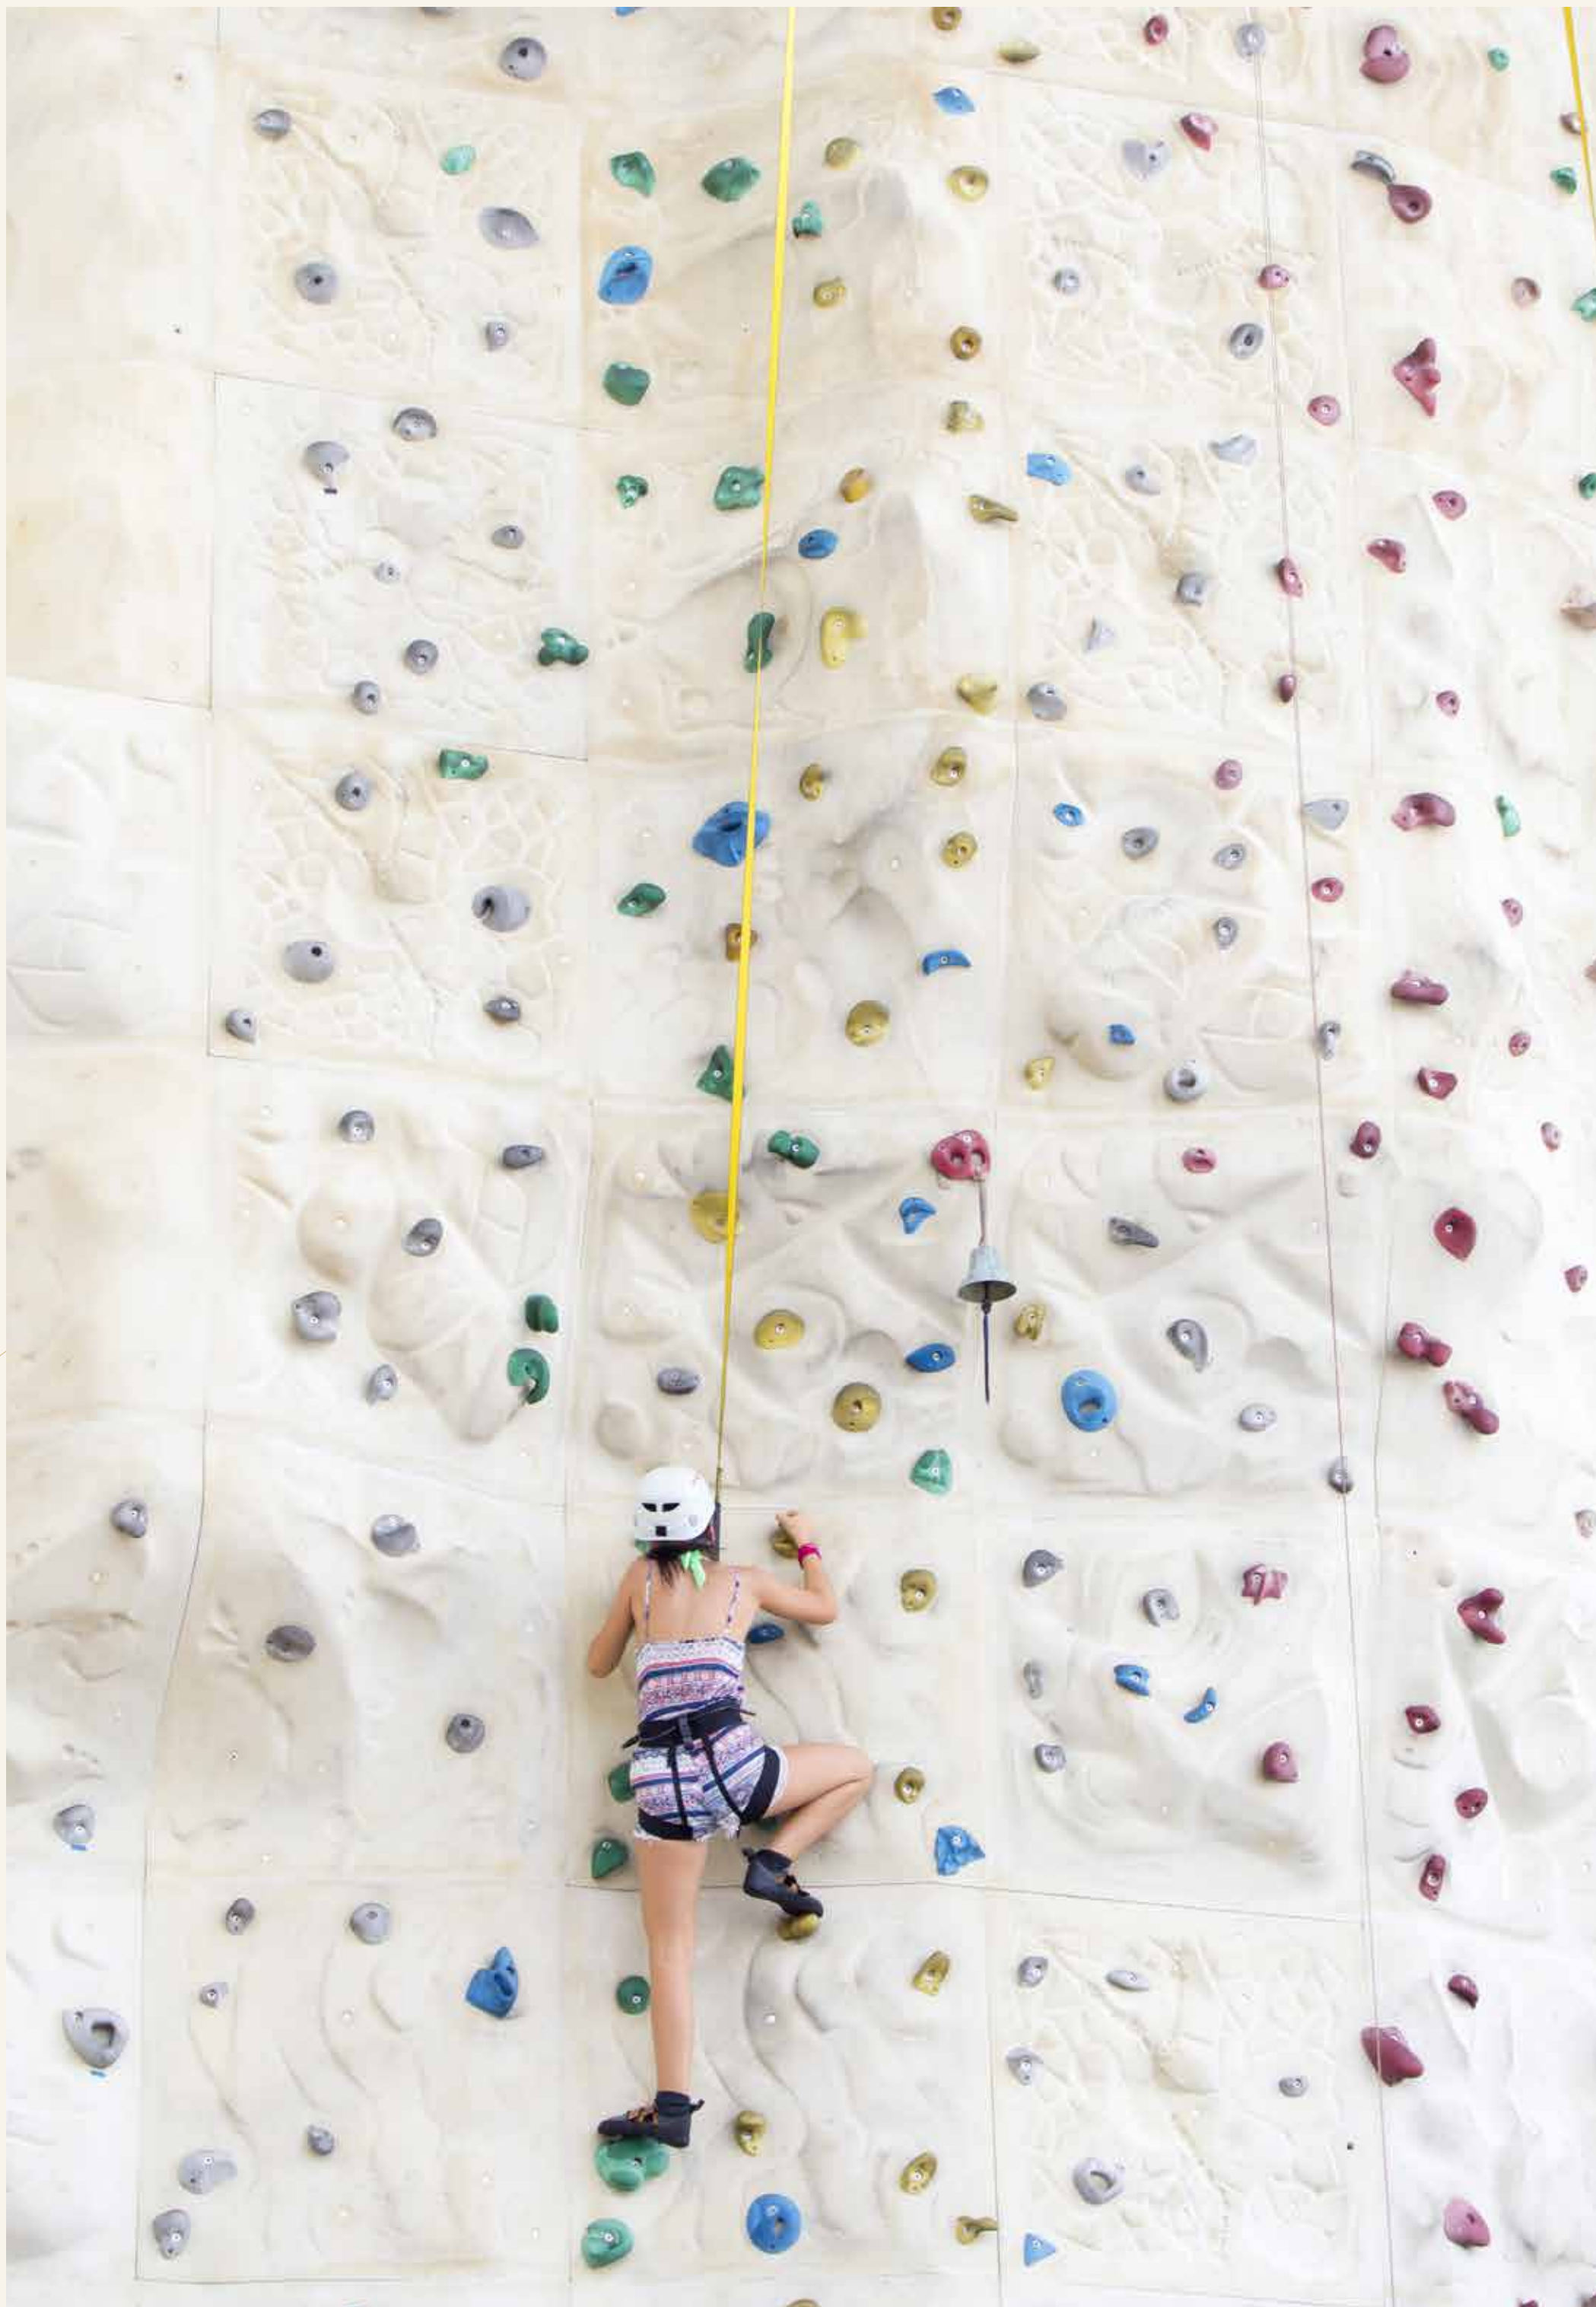

For those seeking a little pampering, the AYKON Spa offers a range of luxurious holistic treatments delivered by the hands of specialists in their field.

AYKONIC FITNESS

Health and exercise at AYKON Plaza

For those who like to run, the jogging track meanders through the plaza with its special, soft surface that's gentle on the joints. There's also a quiet yoga lawn too, on which to practice outdoors and connect with the beautiful surroundings.

AYKONIC ACTIVITIES

Fun for little ones at AYKON Plaza

AYKON Plaza provides hours of fun for young residents and guests with a large play area set with a selection of engaging and colourful climbing frames, swings and other equipment. There are plenty of benches for parents to sit and keep an eye on things too – all in a lovely landscaped area.

AYKONIC GASTRONOMY

In an al fresco setting at AYKON Plaza

AYKON Plaza offers a selection of lounge and dining options in a relaxed and engaging setting. Whether it's a quick coffee over a catch-up with friends, or a more intimate, gourmet experience à deux, there will be an eaterie and a cuisine to suit.
